HOKIE HARVEST SALE

Friday, OCTOBER 25, 2019

Animal Judging Pavilion • Sale Time 6:30 pm
Virginia Tech, Blacksburg, Virginia
Welcome,

For the past 25 years the students, faculty and staff at Virginia Tech have enjoyed bringing you elite genetics of multiple breeds of beef cattle.

In that time hundreds of students have learned the components of conducting a successful sale and the work that goes into doing that. Each and every year they have excelled in doing so. Many of these students have gone on to manage and provide their respective programs with a working knowledge and abilities in the marketing process.

It is a great pleasure to work with these students and help to teach them, as they are the best of the best. Our future in Agriculture is secure in their hands.

Call us if you need help in selection or more information. We are here to assist you.

Regards,

Ken Brubaker

87 BEEF CATTLE
(Registered Purebreds and Commercial)

8 purebred spring pair splits
8 fall-calving purebred cows
30 spring-calving commercial cows and heifers
25 breeding-age bulls

9 Quality Horses (ONLINE SALE)
STOCK and PERFORMANCE
Weanlings, Yearlings, a 2-yr-old Gelding, and a Riding-Age Mare

Bidding Opens October 1ST and Closes 6PM October 25TH

Auction site: https://horsesales.cals.vt.edu/
We are excited to extend an invitation to the ‘Silver Anniversary’ of the Hokie Harvest Sale that has been managed by the 2019 Livestock Merchandising Class and will be hosted by the Department of Animal and Poultry Sciences at Virginia Tech. It is hard to imagine that after 25 years this course has weathered the test of time and continues to be a very relevant course in the departmental curriculum. Over 1,800 Virginia Tech students from various majors and colleges have enrolled in this class and have later become industry leaders and prominent livestock producers. The Hokie Harvest is more than just a beef cattle or horse sale; it’s an exciting, fun-filled day with quality livestock, outstanding students, great fellowship, and delicious food. Don’t miss out on this opportunity to witness our future industry leaders in action!

The Hokie Harvest Sale has developed a significant reputation for selling high quality, university-owned livestock and is unique to the university and the Commonwealth of Virginia because it has been organized and managed by students in an experiential learning environment. Both two- and four-year students have gained “hands-on” experience in sale management, budgeting, advertising, cataloging, clerking, and livestock photography. Students have worked extremely hard in the planning and preparation of this year’s production sale, which includes a live auction of 87 head of registered and commercial beef cattle and nine quality horses being sold exclusively through an online auction at https://horsesales.cals.vt.edu/

Our equine program is selling an excellent offering of four yearlings, three weanlings, a two-year-old gelding, and a riding-age mare. Please join us as we showcase these well-bred horses from 2-6 PM on sale day. The online auction will be open for bidding on October 1st and will close promptly at 6:00 PM on October 25th.

The beef cattle program strives to raise the most predictable genetics available and will feature both purebred and commercial beef cattle. Breeders of purebred Hereford, Simmental, Charolais, and Angus cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. Some of our very best females and bulls have been hand-picked stemming from elite donors that combine curve-bending EPDs, breed-changing genetics, and acceptable phenotype. Mature cows with proven production records and promising herd sires from predictable cow families will be sold. All eight spring-born calves will sell separately from their dams. A strong set of pregnant commercial cows and heifers of SimAngus origin will also be offered. Cowbuyer LLC will again provide online bidding for the cattle sale if you are unable to attend but you must register at www.cowbuyer.com at least one hour before the sale in order to watch/bid online in real-time.

The Department of Animal and Poultry Sciences takes great pride in our university, our livestock, and especially our students. We encourage you to ‘Come and Experience the Harvest’ on Friday, October 25th and get to know this great group of future industry leaders. Funds generated from the Hokie Harvest will continue to provide funding critical to the survival of departmental programs. Many thanks to all of you for your past support and interest in our beef cattle and equine teaching programs. We are committed to making you a satisfied customer and are here to assist you in any way we can.

Sincerely,

Dan Eversole, Director  
Beef Cattle Programs

Chad Joines, Director  
Beef Cattle Operations
BEEF CATTLE:
Dr. Dan Eversole: (540) 231-4738 (o), (540) 641-0295 (cell),
deverso@vt.edu
Mr. Chad Joines: (540) 231-6280 (barn office), (540) 557-7263 (cell),
cjoines@vt.edu

HORSES:
Ms. Natalie Duncan: (540) 231-4366 (o), (703) 473-2068 (cell),
nbduncan@vt.edu

SALE DAY ACTIVITIES:
2:00 – 6:00 pm .................. Horse Sale Showcase in Alphin-Stuart Arena
3:00 – 7:00 pm ............... Buyer Registration in the Beef Cattle Barn
4:30 – 6:30 pm ...................... Complimentary Barbecue Dinner in the Alphin-Stuart Arena
6:30 pm ......................... Cattle Sale – Animal Judging Pavilion

INSPECTION:
Cattle are available for inspection at your convenience 10 days prior to the sale.

MAIL OR PHONE BIDS:
Buyers unable to attend the sale may send their bids to Dr. Dan Eversole, Mr. Chad Joines, or the auctioneer, Mr. Ken Brubaker.

TRANSPORTATION:
Blacksburg is a 45-minute drive, which is easily reached via Interstate 81 and Rt. 460 Bypass. American, Allegiant Air, Delta, and United Airlines serve the Roanoke-Blacksburg Regional Airport.

REGISTRATIONS & TRANSFER:
Registration certificates will be transferred to the buyer at the seller’s expense. Buyers must provide full name and address for transfer. Association member codes would be helpful if you are a member of a purebred breed association; however, this is not required to purchase cattle. Animal transfers will be done after settlement.

HEALTH REQUIREMENTS:
1. All cattle for sale will meet the health requirements of the Commonwealth of Virginia and appropriate health papers will be furnished for interstate shipment. Every female (4-12 mo.) has been calf-hood vaccinated for Brucellosis. All cattle are from a Brucellosis certified-free herd (No. 1498) and Tuberculosis accredited-free herd (No. 2174).
2. If sale cattle are returned to the seller for an adjustment, they must meet health requirements of the Commonwealth of Virginia.
3. Yearling bulls have undergone a breeding soundness examination (BSE) and are considered satisfactory breeders as defined by the Society of Theriogenology. Buyers will be given a copy of the BSE results.

BREEDING GUARANTEE:
Bulls are guaranteed to be breeders (defined as the ability to settle healthy cows by the time they are 14 months of age) with exception of:
- Injury or disease occurring to the animal after time of purchase.
- Gross negligence or willful misconduct on the part of the purchaser.

HERD HEALTH:
All pregnant females were given a pre-breeding vaccine which consisted of a modified-live virus IBR-PI3, BVD, BRSV, and a 5-way Lepto bacterin. Any questions concerning general herd health can be directed to Dr. Terry Swecker, College of Veterinary Medicine (0442), Virginia Tech, Blacksburg, VA 24061, 540/231-7375.

ANNOUNCEMENTS:
Announcements from the auction block will take precedence over printed material in this sale book. Virginia Tech reserves the right to withdraw any sale lot from the sale that does not meet their specifications prior to the sale.

EPDs represented in this sale book were current at the time requested for the layout and printing of this sale book. EPDs are recalculated throughout the year by the respective breed associations, which mean the figures represented in this book may change for these animals in the future.

Reference Sires - Not For Sale
[AMF-CAF-D2F-DDF-M1F-NHF-OHF-OSF-RDF]
Dear Friends and Supporters,

It is our honor and privilege as the 2019 Livestock Merchandising Class at Virginia Tech to present to you the 25th Annual Hokie Harvest Sale Catalog. As we strive to uphold the high standards of quality and strong tradition set by previous merchandising classes, we request your presence on Friday, October 25th at the 2019 Hokie Harvest Sale on our beautiful campus in Blacksburg, Virginia. The sale will begin at 6:30 PM in the Animal Judging Pavilion located at 500 Plantation Road.

Now in its 25th year, this annual auction continues to be a joint effort from all the students enrolled in the Livestock Merchandising Class. Many willing, dedicated professionals have served as guest speakers and mentors during the duration of the class and have thoroughly educated us on sale preparation and administration as we plan to oversee the sale. Organizing the Hokie Harvest Sale teaches each member of the class valuable skills such as the management and coordination of a successful production sale, while providing high quality, hand-picked livestock to offer to the public. This year’s auction will include 87 fantastic purebred and commercial beef cattle, including 8 purebred spring pair splits, 8 fall-calving elite purebred cows, 30 spring-calving commercial cows and heifers, and 25 breeding age bulls. Our wonderful hand-picked crop of cattle includes Angus, Charolais, Hereford, and Simmental breeds.

The Hokie Harvest Sale is also fortunate enough to add an online auction of 8 Virginia Tech born and raised Quarter Horses, varying from weanlings to two years of age, and 1 riding-age thoroughbred mare. The online auction of these impressive horses will open on October 1st, and close at 6 p.m. on October 25th, following the in-person showcase from 2-6 PM in the Alphin-Stuart Livestock Arena on sale day. All proceeds from the Hokie Harvest Sale will directly impact the Department of Animal & Poultry Sciences and its programs to benefit the Virginia Tech students, research efforts, and extension education.

We appreciate your invaluable support and invite you to attend a complimentary barbeque dinner served prior to sale time in the Alphin-Stuart Arena beginning at 4:30 PM up until sale time. Join us in fellowship while enjoying some delicious food. Thank you for your continued support and interest in helping us further our education as we serve you. “Come Experience the Harvest” with us on October 25th at the 25th Annual Hokie Harvest Sale and we look forward to seeing you!

Sincerely,

Catalog and Social Media Committee
Chance Anderson, Rachel Burton, Sierra Criste, Zach Cushing, Jonathan Hawkins, Walker Stephens

Horse Sale Showcase
Friday, October 25th, 2019 from 2pm-6pm
During this event, all sale horses will be available to be viewed by potential buyers.
Virginia Tech Campus @ Alphin-Stuart Livestock Arena
500 Plantation Rd, Blacksburg, VA 24061

Training Details
Yearlings sold during the Hokie Harvest Online Horse Sale have been trained by students in the Equine Behavior and Training course taught in the Department of Animal and Poultry Science. Weanlings have been trained by students in the Equine Volunteer Program. All youngstock have been extensively handled since birth and are taught to lead, tie, stand for the farrier, load into a trailer and have been desensitized to a variety of novel objects. The yearlings are additionally taught to lunge quietly. Training photos and videos of horses are available on the auction site as well as in each horse’s photo album on Facebook. All horses will be sold with a portfolio detail their training progression. These portfolios will be available on the day of the Horse Sale Showcase.

Terms and Conditions
Applicable Law: All horses are offered according to the laws of the State of Virginia. There are no warranties or guarantees implied as to the fitness for any particular purpose(s) of any horse offered in this sale. Our best efforts have been employed to document unsoundnesses or vices in any animal and such records are available for review before the sale. Bidders are cautioned to examine records and horses closely before bidding and purchasing. Every effort has been made to give complete disclosure of all known negative factors (health, disposition, management, etc.) on all horses in the sale. However, no employee or agent of Virginia Tech can or shall be considered responsible for any oversight of a fault. All horses are sold “caveat emptor” (buyer beware). All sales are final and absolute. No refunds will be given for any reason.

Pre-purchase exams: Prospective buyers are encouraged to carry out pre-purchase exams on sales horses of interest. Pre-purchase exams will be completed at the prospective bidder’s expense, and may be completed by a licensed veterinarian of their choice. Pre-purchase exams must be scheduled in advance and with an employee or agent of Virginia Tech in attendance during the exam. Pre-purchase exams must be completed no later than Tuesday, October 22nd. Procedures to be done during the exam must be approved in advance. No flexion tests will be permitted on horses two years old or younger without permission. Pre-purchase exams must be carried out at the Smithfield or Campbell Horse Centers and horses must be handled at all times by employees or agents of Virginia Tech.

Bidding Procedure: Registration as a bidder commits that bidder to purchase any horse for which he/she has the winning (high) bid. The online bidding will close promptly at 6:00 pm on Friday, October 25th. No bid will be valid after 6:00pm on Friday, October 25th.

Assumption of Risk: The purchaser, at the close of bidding, assumes all risk and responsibility for the horse. All horses must be removed from the farm within 14 days at the end of the online bidding. During the stay of the horse, Virginia Tech shall continue to provide all normal care and neither Virginia Tech, nor its employees, agents shall be liable for any accidents, disease, death or injury to any horse. Nor shall the aforementioned agents be responsible for any accidents or injuries inflicted by the horse on any persons, facilities or equipment. Sales horses are accustomed to traveling untied in a box stall in a fully-enclosed stock trailer. It is the buyer’s responsibility to provide suitable transport for purchased horses and Virginia Tech, its employees, officers or agents will not be responsible for any accidents or injuries to animals, persons, or equipment during or after any horse is loaded onto a trailer. Students and/or staff will be available to assist with loading of horses, but without any liability being accepted for injury or accidents to animals, persons, or equipment.

Sales Conditions and Payment: All sales are final. Purchasers may not stop payment of a horse for any reason if he/she is the high bidders at the close of bidding. There will be a 5.3% service fee added to all final/winning bids. Payment must be received prior to transport of the horse.

Public Liability: Neither Virginia Tech, nor its employees, officers or agents assume any responsibility for any injury, death, or damage of any kind to a person or animal. The public is not allowed in any stall, paddock, or pastures without permissions. Examine horses at your own risk. The public is cautioned to be very careful while on the grounds examining horses and particularly while horses are being handled, ridden or driven.

</table>

Estampida, “Khaleesi,” is a 2010 thoroughbred mare. This mare has earnings of $30,120 after 15 starts on the track. Since changing careers to English riding, Khaleesi has been a willing lesson horse in the Virginia Tech equitation program but does better with the consistency of one rider. She hacks out alone and in a group. This summer, Khaleesi was leased by a student and excelled with the individual relationship and consistent handling. This mare has a great personality, and is currently being ridden barefoot. With additional training, she could excel as an eventing prospect and would be best paired with an intermediate rider.
Amber Pass 2001 Bay AQHA

Amber Pass, “Stan,” is a maternal brother of All Inclusive, a Superior HUS and ROM Open Performance earner. Stan is owned by Don & Donna Coats of Shire Reeve Ranch and has been generously leased to the Virginia Tech Equine Program. Stan has excellent conformation and an outstanding temperament that is successfully passed on to his offspring. Stan is out of the thoroughbred mare Maybelleni, daughter of Graded Stakes winner Amber Pass (Thoroughbred) and dam of multiple track winners. This stallion displays a high degree of muscling with the light, floating movement of his Thoroughbred lineage. Stan has earned his Register of Merit in Hunter Under Saddle, Hunter Hack and Working Hunter. Virginia Tech is proudly offering two weanlings (Lots 1 & 2) and three yearlings (Lots 3, 6, & 7) by Amber Pass this year.

Kings Power Stroke 1996 Black AQHA

Kings Power Stroke is owned by Big Sky Farm of Dacula, Georgia and was generously leased to the Virginia Tech Equine Program. Kings Power Stroke comes from a long line of proven performance horses with strong foundation genetics. He is sired by one of the best sons of NRHA Hall of Famer Continental King, King Of Four Mac. King Of Four Mac was an NRHA money earner and earned 12 AHQ points. Kings Power Stroke is a NRHA money earner and AQHA ROM earner himself. This stallion has a kind disposition and excellent conformation which he passes down to his offspring. With a very limited foal crop, Kings Power Stroke has produced NRHA money earners, a performance ROM earner, and a Superior Performance earner. This year, Virginia Tech is offering one 2-yr old (Lot 8) by Kings Power Stroke.

Un Forgettable 2007 Gray AQHA

Un Forgettable, “Smoke,” is a multiple AQHA World Champion, AQHA Reserve World Champion, and Congress Champion. Un Forgettable’s phenomenal movement and versatility have allowed him to perform well in a variety of English disciplines including pleasure driving and hunter under saddle. He was also named AQHA Super Horse in 2013. His sire, Iron Enterprise has produced over 60 World and Congress Champions. Un Forgettable’s bloodlines also include the impressive Skys Blue Boy, a leading sire of AQHA and NSBA point earners. This stallion is known for his kind disposition and beautiful build. Virginia Tech will proudly be offering one yearling gelding (Lot 4) by Un Forgettable.

He’s Berry Blazin 2009 Palomino AQHA

He’s Berry Blazin, “Troy,” is a gorgeous palomino with a stellar show record and impressive pedigree. Last year, he became a PHBA World Champion/NSBA Champion producing sire and Color Breed Congress Champion. This stallion has produced multiple PHBA Reserve World Champions and Reserve Color Breed Congress Champions. He’s Berry Blazin is out of the PHBA World and Reserve World Champion, Ms Strawberry Walker, who has earned over $115,000 and over 2,700 total points. His sire AQHA Leading Sire Blazing Hot, has offspring earnings over $1,000,000. One filly sired by He’s Berry Blazin (Lot 5) offered by Virginia Tech is sure to be an excellent performer.

Kneeling (L to R): Registration Committee - *Olivia Stover, Kelsey West, London Hughes, Cullen Saunders, Landon Kelly, Trevor Guy, and Marie Yuhas

Dear Friends:

It is with great pleasure that we invite you to our 24th Annual Hokie Harvest Sale, which is managed by the 2018 Livestock Merchandising Class and hosted by the Department of Animal and Poultry Sciences at Virginia Tech. This course has been a wonderful experience for us to work with such outstanding undergraduate students over the past 24 years, many of which have become industry leaders and prominent livestock producers.

The Hokie Harvest Sale has developed a significant reputation for selling high quality, university-owned livestock. Our equine faculty and staff here on campus are selling an excellent offering of Quarter Horses. Please join us as we showcase these well-bred horses from 2 to 5 PM on sale day. The online auction will be open for bidding on October 1 and will close at 6:00 PM on October 26. This year's cattle offering features both purebred and commercial beef cattle. The Hokie Harvest is more than just a beef cattle or horse sale; it's an exciting, fun-filled day with quality, trouble-free livestock, outstanding students, great fellowship, and delicious food! Don't miss out on this opportunity to witness our future industry leaders in action.

Both two and four year students have gained “hands-on” experience in sale management, budgeting, advertising, cataloging, clerking, and livestock photography. Students have worked extremely hard in the planning and preparation of our production sale, which includes a live auction of 54 head of registered and commercial beef cattle and 9 horses being sold exclusively online at https://horsesales.cals.vt.edu/. Breeders of purebred Simmental, Angus, and Hereford cattle will be able to select AI-sired progeny from a cross-section of the VT Beef Cattle herd. Some of our very best females and bulls have been hand-picked stemming from elite donors that combine curve-bending EPDs, breed-changing genetics, and acceptable phenotype. Mature cows with proven production records and promising herd sires from predictable cow families will be sold. A strong set of pregnant commercial cows and heifers will also be offered. This is a great opportunity for any and all breeders to select high quality cattle to add to their herds.

Cowbuyer LLC will again provide online bidding for the cattle sale if you are unable to attend, but you must register at www.cowbuyer.com - time.

The Department of Animal and Poultry Sciences takes great pride in our university, our livestock, and especially our students. We encourage you to ‘Come and Experience the Harvest’ on Friday, October 26 and get to know this great group of future industry leaders. Funds generated from the Hokie Harvest will continue to provide funding critical to the survival of departmental programs. Many thanks to all of you for your past support and interest in our beef cattle and equine teaching programs. We are committed to making you a satisfied customer and are here to assist you in any way we can.
